Once across the 14th Street Bridge, exit onto Route 1 North/14th Street. (You will pass the Washington Monument on your left.) You will pass through a traffic circle, (Thomas Circle), keep going until you get to P Street and take a left. Follow P Street until you get to Dupont Circle. Follow the outer loop of the circle about 1/4 of the way around and exit onto Connecticut Ave., right after the Starbucks. We are just past Q Street on the right.

**From the West:** Take I-66 East towards Washington. (If it's rush hour and you are not carpooling, see above directions from the **South**) Follow I-66 East onto US-50/Constitution Ave. Follow approximately 6 blocks and turn left onto 17th Street. After you cross over K Street, this will turn into Connecticut Ave. **DO NOT GO UNDER THE TUNNEL!** Follow the outer loop of the circle about 1/2 of the way around and exit onto Connecticut Ave., right after the Starbucks. We are just past Q Street on the right.

**From the East:** Take I-295 South towards Washington. Merge onto New York Ave. New York Ave. becomes Massachusetts Ave. after you pass by the new convention center. Follow Massachusetts Ave. to the second circle (Scott Circle), go 1/2 of the way around the circle and exit back onto Massachusetts Ave. At the next circle (Dupont Circle), stay on the outer loop and exit onto Connecticut Ave., right after the Starbucks. We are just past Q Street on the right.

**Parking:** The closest parking garage is on Massachusetts Ave. right behind the PNC Bank and is operated by Colonial Parking. As you go around the outer loop of Dupont Circle bear right onto Mass. Ave which is after Connecticut Ave. The driveway is your first right, about 20 feet before 20th street. If you prefer street parking and can find it, we'll be happy to feed your meter while you're here.
