November 2011 - WIFV Members in the News Double R in 5 states to "Save Rural Broadband"

Double R President Rosemary Reed interviewed dozens of rural Broadband service providers and customers in remote areas of Texas, Montana, California, Missouri, Iowa and Minnesota this summer. Michael Gionis, Double R's

senior editor, created these videos for the "Save Rural Broadband" campaign Web site and YouTube channel.

Double R recently made a travelogue featuring these out-of-town shoots as well as others in Hawaii, Twin Falls, Idaho and Boston. Click the link to view their "Summer Vacation":
